

Technique 1

MEASURE INSIDE DIAMETER OF AN EXISTING RING

You can use this page in two ways:

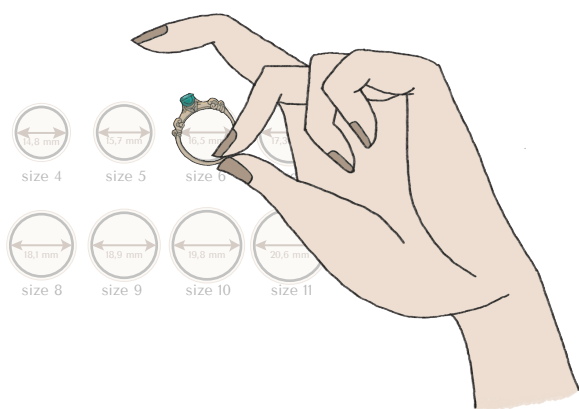

Option 1:

Measure the inside diameter (in cm) of a ring you already own.

Option 2:

Slide your ring over the printed circles and find the one that fits exactly inside, the outside circle should be visible and exactly aligned with the inside of your ring.

Important for printout accuracy

- * Print on thick paper if possible.
- * Set your printer to **Actual Size** or **No Scaling**.
- * Use the ruler above to double-check the scale after printing.
